

**Western Washington Section, District 5,
Pierce County ARES**
(Amateur Radio Emergency Service)
Central Pierce County ARES Team (as of 06 March 2021)

(2 minutes before Net, at 1843 hrs.)

May I have your attention, please! This is **(Call):**____, We will be holding the Central Pierce County Team ARES NET on this frequency in two minutes. Is there a volunteer to serve as the Alternate NET Control Station?

ANCS: (Call):_____, **(Name):**_____

(Start Net, at 1845 hrs.)

Please employ a 10-second Long interval Tone Zero (LITZ)

Hello and welcome this is Net Control Station **(Call):**_____, **(Name):**_____, located in **(Location):**_____, I will be Net Control this evening for the Central Pierce County Team Amateur Radio Emergency Services NET. This NET meets every Monday at 1845 hrs. local time. Our alternate channel will be **PC-18S**. Our Alternate NET Control Station this evening is **(Call):**_____.

Stations with emergency traffic may break in at any time. Is there any emergency traffic?

This NET is for the weekly check and test of your radio equipment, to pass ARES traffic, and provide training in a directed NET. All licensed amateurs are invited to check in. When checking in, please state your call sign only, using Standard ITU Phonetics. When you are acknowledged, please provide your name, and location. We will confirm each check-in by restating the call sign using plain English.

IDENTIFY: This is net control station (Call):_____

We will now conduct the information portion of the NET.

- Central Team Emergency Coordinator
- Central Team Assistant EC
- Are there any other stations with reports or announcements?

IDENTIFY: This is net control station (Call):_____, **now asking for ARES member Check-ins.**

There are other ARES NETs during the week, I encourage everyone to test their equipment by checking into as many as you can. NET information can be found on our web-site at www.piercecountyares.net. I also encourage everyone to check in to the District 5, Pierce County ARES NET on channel **PC-1S** every Tuesday night at 1900 hrs. local time.

IDENTIFY: This is net control station (Call):_____

Are there any Visiting stations?

Are there any late or missed stations?

Are there any after net contacts?

I want to thank the repeater owners for the use of their systems and everyone who participated. The repeater will be returned to normal operation after confirmation by the ANCS of check-in information. Please wait to hold your after-NET contacts, on this frequency, until after the confirmation. Thank you.

The net is now closed at (Time):_____ **this is (Call):**_____, **Standing by for confirmation.**
